Re: Survey for HOME Training Needs

IHCDA has contracted with The Hammer Legal Group to create a number of on-demand trainings related to the HOME program and crosscutting federal regulations.

IHCDA is seeking partner input on training topics. If you would like to provide feedback on training topics, please complete [this survey](#) by 5:00 p.m. on Friday October 4, 2013.

Please note: The on-demand training catalogue will include an "Introduction to HOME" course as well as a course summarizing changes from the new HOME Final Rule. Because these two courses are definite, they are not included in the survey questions.
